Candy Facts:

A 6" tube contains only 9.7 grams of sugar & carbs.
(@ 1/3 of a typical candy bar & less than a soda pop)

Candy does not contain nuts and it is produced in a nut free environment.

Leftover candy has a long shelf life and can be stored indefinitely in a cool, dry place.

For a fundraising activity we suggest a sell price of \$2.00 - \$2.50.

We cannot accept returns of opened containers.
