

INFLATABLE FOOTBALL

Equipment:

1 Inflatable Football
4 Corner Stakes

3 Footballs
1 Blower

- DO NOT SET UP IN RAIN OR HIGH WINDS ... SAFETY FIRST!
- NEVER TURN YOUR BACK ON INFLATABLES!

Set-Up

1. Remove any debris from the set up area that may damage the unit. Take inflatable from bag, unroll the unit. Please double check for overhead utility wires.
2. Insert cone on blower into the air shoot on the back side of the unit. Plug in blower to a secure 15 amp outlet. You may use ONE 50 ft extension cord of 14 gauge or higher.
3. After the inflatable football is fully inflated, stake the corners with the stakes provided.

Take Down

1. Make sure the area is clear and then unplug the unit.
2. After unit is fully deflated, roll sides in towards the center. Then roll from FRONT to back.

3. Insert inflatable football pitch unit in bag.
